

Bonded L-Foot

Item Number	Description
FM-LFT-002	Kit, 4Pcs, Slotted L-Foot, with Bonding Bolt, Mill
FM-LFT-002-B	Kit, 4Pcs, Slotted L-Foot, with Bonding Bolt, Black

Our Bonded L-feet are engineered for most roof mounting applications. Vertical slots allow for easily dropping in rails with pre-attached hardware and provide adjustability to account for roof irregularities. Our L-feet are manufactured using 6000 series aluminum and are also available in black anodized finish. Bonding hardware is included to attach and bond the rail to the L-foot. Step nut allows installers to use the same socket as the rest of the system.
